APPLICATION FOR RESIDENTIAL INCENTIVES

To receive your incentive, please complete the following:

1. Fill out this form completely.
2. For **appliances**, include a copy of your dated sales receipt and/or invoice listing the manufacturer, model number, price of the ENERGY STAR qualified product and place of purchase and also include the original yellow FTC Energy Guide label.
3. For **appliances**, provide proof that the old unit was properly disposed.
4. For **central air conditioning unit**, include copy of dated sales receipt and/or invoice listing the manufacturer, model number, price of the qualified product, place of purchase and EER/SEER and cooling capacity information.
5. For **programmable thermostat**, include copy of the sales receipt and actual UPC code cut from the thermostat package.
6. Return all documentation to Rochelle Municipal Utilities.

An incomplete application will delay or disqualify your incentive.

PLEASE COMPLETE ALL INFORMATION

Applicant Information:

Applicant Name RMU Account Number

Address of Service City

Mailing Address City, State, Zip Code

Primary Telephone Number Other Telephone Number

Requested Incentive (please check):

- Learning/Remote Management Thermostat (\$100)
- Refrigerator (\$100) Freezer (\$150) Window AC Unit (\$75) Dishwasher (\$35)
- Central AC Unit ≥ 13.00 SEER (\$300) Central AC ≥ 14.5 SEER (\$450) (NICOR/RMU Complete Replacement) Programmable Thermostat (\$25)

I agree to the following terms and conditions:

- I am the account holder and currently have utility service with Rochelle Municipal Utilities.
- Only one incentive per product, per household is allowable.
- The Residential Incentive Program will be available between May 1st and December 31st of the current year.
- The new appliance/thermostat/central air conditioning unit must be purchased from a business permanently located in Rochelle, Illinois.

- All new appliances must be Energy Star qualified (see www.energystar.gov for a list of approved appliances).
- Refrigerators, freezers and refrigerator/freezer combinations must be 7.75 cubic feet or larger.
- All central air conditioning units must be installed by an HVAC contractor licensed to operate in Rochelle, IL.
- The HVAC contractor must provide manufacturer EER/SEER and cooling capacity information.
- Only central air conditioners with ratings equal to or greater than 13.0 Seasonal Energy Efficiency Ratio and 13.0 Energy Efficiency Ratio qualify for the \$300 incentive.
- Additional terms may apply for the NICOR/RMU complete system replacement (furnace and central air conditioner). Refer to the NICOR/RMU rebate program guidelines for more information.
- The central air conditioning incentive applies only to central air conditioners with cooling capacities of less than 72,000 Btuh (6 tons).
- RMU reserves the right to conduct on-site inspections of all installations prior to granting incentives.
- The applicant must provide proof that the old unit/appliance was properly disposed.
- The applicant certifies a non-programmable thermostat was replaced with a programmable thermostat.
- The incentives are subject to available funds.
- RMU reserves the right to cancel the Residential Incentive Programs at any time.

IMPORTANT-APPLICANT READ BEFORE SIGNING AGREEMENT

The applicant represents that they have accurately completed this application. The applicant authorizes Rochelle Municipal Utilities (RMU) to verify the information contained herein and to make such additional normal inquiries, as reasonably may be related to or associated with this application. The applicant requests an incentive according to the terms listed above. The applicant agrees to the terms, conditions and all regulations of RMU governing the supply of utility services to customers.
